

**Course Selection based on Guiding Principle 3 of the “Policy Statement on Global Responsibility and Sustainability at the University of St. Gallen”:**

*Through our education we aim at education entrepreneurial personalities whose actions are informed by social responsibility and sustainability in order to benefit the economy and society.*

**Three categories:**

1. Basic knowledge/background of responsibility and sustainability
2. Specific subject areas of responsibility and sustainability
3. Strategies/approaches of problem mastering in the area of responsibility and sustainability

Courses marked with \* are also open as an elective for all other programs in the study level
